Lisa with her VERY girly birthday cake.

Lisa has now been at Children's Hospital for 31 years and has sort of become the resident "mom." Great ... MORE kids!

Restored photo of Kelly, Scott and Pam.

Older pic of Lisa with Sophie (dog) and Lucy the cat. We miss them everyday.

Scott published his next book in 2021: [Living The Five Skills of Tolerance: A User's Manual For Today's World.](#)

It is Scott's small attempt to bring some peace and tolerance to the world. It's a #1 Best Seller in 13 categories on Amazon.

One last look at Ella and Sophie, two GREAT dogs.

**Theo after getting “fixed” with his football. NOPE ... it did not slow him down at all. Theo has more energy than all of the pets we have ever had put together. So, we sent him off to an intense two week training program.**

**The trainer kept him SEVERAL extra days. He said, “This dog has crazy energy. He should be out sniffing for bombs.”**
