Scott spent most of 2020 working on his next book. His cousin, Beth Sheets, created the stick people graphic, which Scott loves!

Lucy the tabby cat passed away in 2020 at the age of 19.

She was the Betty White of cats. She was a powerful 5 lb. kitty and the best cuddler of all. She will be greatly missed.

Sophie also passed away in 2020 at the age of 14. She was a wonderfully gentle Akita. She will be greatly missed.
