Wonderful -practical -sincere.

As a 30 year Dr. HR professional, i can honestly say this was one of the most valuable, interacting, informative and entertaining presentation I've seen at any conference. Thank you.

Even better than described. Great content and very entertaining. This one of the best sessions I've attended at any conference. Ever. Thank you; you have added so much to me professionally and personally.

Wow! This was so powerful!

The session needs to be a four hour session. Has a lot of great information with the practical data.

I wouldn't have picked a session called "Emotional Intelligence," but the "skills-based" in the title brought me in. I'm glad I didn't miss this great session!

Great session! Informative, energetic, and fun! Scott did an excellent job communicating very valuable and helpful information.

I was even better than I expected! It made me think and will make me deal with situations a little differently - I will pay more attention to my emotions and also my employees emotions.

Would be good to include some ideas about the sorts of solutions offered once the "problem" was identified. Mentioned briefly at end. Excellent presentation.

Excellent presentation, provided clear concise introduction to the concepts of skill-based diversity and EI.
