Where to report harassment in California?

In California, if you've experienced workplace harassment, there are several steps you can take to address the issue:

1. **Inform Your Employer:** Start by informing your employer about the harassment you're facing. This step is crucial because your employer should have an opportunity to address the situation internally.
2. **File a Harassment Complaint with the California Civil Rights Department (CRD).**

1-800-884-1684
